## Annual Placement Report 2023–24

The Placement Cell of Sri Guru Nanak Dev Khalsa College is a student-run body. The Placement Cell serves as a link between companies and students and helps in matching students with their desirable firms and profiles. The Cell works tirelessly to uphold the college's reputation and meet the expectations of the students. In a technology-driven world, the Placement Cell has also embraced a hybrid method for the recruitment process.

We have floated more than 50 Placement opportunities and more than 70 Internship opportunities with the highest package and stipend offered INR 23 LPA and 30,000 respectively in the session 2023-24. With our continuous and consistent efforts, several students have been placed across varied profiles. Students from diverse courses were part of all the Placement and Internship Drives. The Placement Cell also organized the Annual Job Fair “Embarkation 3.0” with a footfall of over 700+ students from numerous colleges like SRCC, Hindu, VIPS and many more. The Cell onboarded MamaEarth which visited the DU Campus for the first time to recruit freshers.
