Activities	<ul style="list-style-type: none">• The event began with the Inter-College Competition segment conducted under Forge'26. Participants from various colleges presented innovativ business ideas and AI-driven concepts through structured PowerPoint presentations.• Students demonstrated analytical thinking, creativity, strategic planning, and effective communication skills while presenting their ideas before evaluators and the audience.• The competitive segment provided a dynamic platform for participants to showcase their knowledge, teamwork, and stage confidence.• Following the competition, the Industry Conclave session was conducted by the esteemed guest speakers. They shared valuable insights into career growth, industry expectations, corporate culture, entrepreneurship, and skill enhancement.• An engaging Q&A session was held where students asked thought-provoking questions regarding internships, startups, networking, and industry challenges.• Cash prizes worth ₹6000 were awarded to the winners, encouraging excellence and competitive spirit.• The event concluded with a vote of thanks and presentation of tokens of appreciation to the guest speakers..

SRI GURU NANAK DEV KHALSA COLLEGE

Main Ideas

- Bridging Academia and Industry

The event emphasized the need to integrate theoretical knowledge with practical exposure to enhance employability and industry readiness.

- Skill Development & Professional Growth

Speakers highlighted the importance of communication skills, adaptability, leadership qualities, and continuous learning in today's competitive environment.

- Innovation & Entrepreneurial Thinking

Participants were encouraged to think creatively, explore startup culture, and develop innovative problem-solving approaches.

- Confidence & Competitive Exposure

The inter-college format helped students build confidence, improve presentation skills, and gain exposure to a competitive academic environment..

Vote of thanks
