ISSUE # 10
EVEN SEMESTER 2022 EDITION

FROM THE PRINCIPAL'S DESK

Dear students

Welcome back to the college campus after a hiatus of almost two years due to COVID-19. It feels nice to find the campus once again filled with your warmth and zeal, fever and fieriness. What an energizing and life-giving feel all around!!!

At the very outset, I would want to share with you a very happy news of the college being accredited 'A' grade by NAAC. It is a feat worth celebrating. I thank all the stakeholders for making significant contributions to the growth story of college all throughout. Let's be proud of our achievement and work tirelessly to scale greater heights.

Education is freedom. Right education is our stand-alone goal aiming at your holistic development. Apart from academics, the college offers an abundance of central and departmental societies for you to choose from. It is very important for you to explore your co-curricular interests-for learning, enjoyment, and satisfaction. These societies allow you to volunteer your services for the right cause. Volunteering will pave the way for growth, and boost your self-esteem and self-confidence. Since you meet people and help the needy, you find a sense of purpose and new meaning to life. So, be a volunteer.

The new edition of the E- newsletter presents an overview of multiple activities happening in college. Glance through it. I believe after a thorough read you will be encouraged to participate in society activities to turn your stay in college into a fun and learning experience.
