Activities (if any) Scribble Day was organized as a special farewell event dedicated to celebrating the graduating final-year students and honoring their time spent at the college. Designed as a heartwarming blend of fun, nostalgia, and gratitude, the event provided a lively yet emotional send-off for the passing batch. The event featured a variety of engaging activities to ensure an unforgettable celebration: Dance & Music Performances A energetic lineup of musical acts and high-spirited dance performances kept the environment vibrant, encouraging students to take the stage and celebrate together one last time. Mini Games & Interactive Sessions A series of lighthearted mini-games were conducted to break the ice, foster friendly competition, and create fun-filled moments among peers and faculty. Shirt Scribbling & Farewell Tradition Equipped with permanent markers, final-year students wore plain white shirts to take part in the iconic scribbling custom. Friends and batchmates wrote personalized messages, signatures, and nostalgic notes on each other's shirts, transforming them into prized souvenirs of their college years.
