TO WHOM IT MAY CONCERN

This is to certify that Dr. Deep M. Singh has completed her Post-Doctoral research work on "India's Economic Relations with Nigeria Since 1982 - Problems and Prospects". This study analyses economic relations in respect of trade and joint ventures between these two countries, highlights the basic constraints and suggests measures for the improvement of such relations.

The research design of the study is well conceptualised. The theoretical and empirical evidences relating to this work are sound. The study is a commendable effort in the area of research which is of immense interest to the policy makers. This work is a significant addition to the existing literature in the area of bilateral economic cooperation within the framework of South - South Cooperation.
