Dear

Over the period of three years of implementation of CBCS, several anomalies in the under-graduate Commerce based courses have been brought to our knowledge and these have been taken up with the University authorities too. However, much of the anomalies could not be resolved as these are related to course structure, and University does not allow change in the course structure. It is generally felt that anomalies in the course structure under CBCS have seriously impacted the commerce courses both in terms of relevance of the courses and the course content.

“UG-Course Structure Review Committee” has, therefore, been constituted to review the structure of B.Com (H) and B.Com (P) syllabus under CBCS. As discussed with you telephonically, you have been appointed as member of this committee. Your cooperation has always enabled us to work in the best interests of Commerce discipline, and we are indeed thankful for your continued support.

The recommendations of this committee for the structural changes will be forwarded to UGC for its consideration. We are planning to hold the meeting in the third week of August. For arranging the committee meeting Ms. Manisha will coordinate with you telephonically.

Best regards

Prof. Kavita Sharma
Head
Department of Commerce

Dear Colleagues,

Greetings from Examination Branch.

Thank you all for being a part of the OBE evaluation process.

Now we are in the last phase of the evaluation process and started processing the results and all results will be out soon.

But some of the evaluators have still not evaluated/completed the evaluation work which was assigned to them.

We understand it's a very hard time for everyone, but still we need cooperation from all

of the colleagues.

As you know Honorable High Court is monitoring the evaluation process this time, so I humbly request you please complete the evaluation so that we can declare the result without further delay.

We will highly appreciate it if you can finish the evaluation process in the next 2 days.

It is to also mention that the email-based submissions are also getting integrated so the total number of assignment scripts may vary and you may find some new scripts assigned to you.

Please ignore if you have already completed the evaluation work.

Regards

Dear Colleague,

A new section OPEN BOOK EXAMINATION (AUTOSUBMIT & PENDING) is now available on your OBE Portal Dashboard.

This section consists of Students who either partially Submitted their Answer Sheet (AUTOSUBMIT) or not submitted their Answer Sheet (PENDING) on OBE Portal.

However, we may also have received these Students' submissions through Email.

You are therefore requested to Evaluate only those Students whose Responses are received through Emails.

Please note that Email Responses are under processing so you may not get an Evaluation Button against those Students whose email(s) are under the process of mapping. Please login back to check the status.

Keeping in mind the prevailing situation and the pressing time, you are requested to complete the evaluation process at the earliest.

PAPER EVALUATION PROOF

I have evaluated papers in 2018,2019 but there is no written proof of the same. I use to get a call from evaluation centre for the same.

YEAR 2020

The screenshot shows a Gmail interface with a search bar containing 'is:starred'. The inbox list on the left includes 'Compose', 'Inbox', 'Starred', 'Snooded', 'Important', 'Sent', 'Drafts', 'Categories', 'Personal', 'More', 'Meet', 'New meeting', 'Join a meeting', and 'Hangouts' with a contact named Sarika. The main content area displays three starred emails from 'University of Delhi' (no-reply@notification.du.ac.in) to 'me, @guptarvey'. The first email, dated Thu, Aug 27, 2020, 3:39 PM, is an alert. The second and third emails, dated Thu, Aug 27, 2020, 3:39 PM and Thu, Aug 27, 2020, 3:41 PM respectively, are evaluation assignments. The second email is for 'Advertising & Consumer Behaviour' with evaluator ID 69144. The third email is for 'International Economics' with evaluator ID 69144. Each email includes a login link to 'dubeadmin.du.ac.in' and a 'marksheet' link. At the bottom, there are buttons for 'Reply', 'Reply all', and 'Forward'. The Windows taskbar at the bottom shows the system tray with the date 17-02-2021 and time 14:27.

Subject: Evaluation of answer scripts

Dear Colleague

The evaluation of answer scripts and declaration of results of all students is critically important. In the interest of students and to ensure that their future is not jeopardized, it is required to declare the result in time for all the semesters.

Hence, I am requesting to you to participate in evaluation work of the student who appeared in the last semesters. Any further delay on this count will be detrimental and affect the career of students adversely.
