Main Ideas

The program was held in an offline mode to inculcate interaction between the mentors and their respective mentees and help develop trust and emotional connect. Various themes were discussed by the mentors for students specifically centered around the issues and challenges associated with the advent of Artificial intelligence, plagiarism, academic integrity and its judicious use by the students. Other issues like individual problems, possible career paths, further education, fourth year NEP and examination related queries was also discussed.

Vote of Thanks by

Dr. Vinay Neet Kaur, Dr. Savilata Yadav and the entire IQAC team.
