Feedback:

- The event was truly a remarkable experience and provided invaluable insights into India's space achievements.
- I was thoroughly impressed by the high production quality of the event. The seamless integration of live footage, expert commentary, and interactive elements kept the patriots engaged and informed throughout the broadcast.
- Overall, the NSS Live Event for the Chandrayaan-3 Moon Landing was a resounding success. It not only celebrated India's achievements in space exploration but also fostered a sense of curiosity and inspiration among viewers.
