

SRI GURU NANAK DEV KHALSA COLLEGE

(UNIVERSITY OF DELHI)

NAAC Accredited A

DEV NAGAR, NEW DELHI-110 005

Ref. No.: _____

Dated: _____

Institutional Distinctiveness

Student Driven College

College is a place to make the young aspirants gain effective understanding of the real world. Not only it builds an academic backbone but also shapes the moral intellect of its pupil. At SGNDKC, we envisage to make our students ready to face any obstacle, head on and thus claim ourselves to be a STUDENT DRIVEN COLLEGE. Our students are our Mashal Bearers and thus are motivated and guided to manage various academic, social and cultural activities of the college. Authorizing the students to plan, conduct and execute various societies related work facilitates in inculcating a sense of responsibility among students and also helps in building team spirit and leadership qualities among them.

Our students are continuously participating in selfless deeds of social service carried out by various societies of the college like S.E.V.A., BISMAR, YUVA and NSS. The environmental concerns are also focused under the aegis of the college's environment society, EnviSAGE. On the academic front, our students are facilitating all the changes through various academic societies that are being run by the college.

While participating in the activities of different societies, it helps the students to recognize their areas of interest which they can choose as their profession. It is not possible to mention each society that is being run in the college where a student centric work approach is adopted for refining their skills like team spirit, management qualities, cooperation, learning procedures and much more to bring out the best in our students.
